## Welcome to Oldham Lifelong Learning

This booklet gives you information about the subjects we offer and some of the support services and facilities we provide.

We can help you gain the skills you need to get a job, move on in your career or perhaps start your own business.

You can also develop new skills through our community and family learning programmes.

We will support you at every step of your learning journey, whatever you choose to study.

Our commitment to our learners and the high quality of delivery were recognised in Ofsted's 'Outstanding' judgement in November 2015 and more recently in May 2019 when we were reassessed to the Matrix Standard of Quality in information, advice and guidance.

Many of our learners have changed their lives by joining a Lifelong Learning course. You can, too.

## Information, advice, guidance and support

Every year thousands of adult learners join us at Oldham Lifelong Learning. We understand that many people joining us may not have had the best experience at school or may not have studied for many years. We can offer you all the information, advice, guidance and support you need, when you need it, to ensure you succeed. We also offer access to the National Careers Service and Get Oldham Working.

The Matrix Standard is the national quality standard for any organisation that delivers information, advice and guidance on learning and work. In May 2019 the Service was successfully re-assessed to the standard, which it has held since 2004.

## Enrolment: How to join a course

If you would like to enrol on a course or require additional information you can:

## How to pay for your course

**In full:** If your course fee is less than £70 you must make full payment at enrolment. Your position on the course is not secure until payment has been made.

**By instalments:** If your course fee amounts to £70 or more, we can accept payment in three equal instalments over three consecutive months via cash, cheque, debit or credit card. If you withdraw from your course later than one week before the course starts you will be charged the outstanding balance of the full cost of the course.

**By employer:** If your employer is paying for your course you must provide written confirmation on letter-headed paper from your employer. We will send them an invoice.

**By telephone or online:** You will be able to pay online or over the phone (by credit/ debit card only) if your course does not require pre-course advice and guidance and you are paying the full fee. Please ring any centre to enrol and pay or visit [www.oldham.gov.uk/lifelong](http://www.oldham.gov.uk/lifelong). Online payments are processed by our payment provider, WorldPay, who will send you an email confirmation of your payment.

**Examination/accreditation fees:** Courses with a qualification (accredited courses) have an examination or accreditation fee. This fee is included in the course fee for the majority of courses. Where there are separate examination charges you will pay for these during the course.

## Concessionary status

Learners entitled to a concessionary rate do not pay any fees for **qualification courses**. If you are in receipt of a benefit, proof of this must be shown when you enrol for your course. Please bring original documents as we are unable to accept photocopies. All our courses are for adults aged 19 years and over. You must be aged 19 or over on 31st August 2019.

**If you are unemployed and claiming benefits or currently employed earning less than £17,550 then you may be entitled to our concessionary rates for our qualification courses.**

Learners entitled to a concessionary rate for **non qualification** courses will pay a reduced fee.

For further information about our concessionary rates please access our website at [www.oldham.gov.uk/lifelong](http://www.oldham.gov.uk/lifelong)  
E: [lifelong.learning@oldham.gov.uk](mailto:lifelong.learning@oldham.gov.uk)  
T: 0800 525 956 or call into one of our centres

Course fees are made up of a Tuition fee and where applicable examination or assessment fees or material fees.

**Discretionary Learner Support:** If you are experiencing financial hardship and have difficulty paying the costs of course fees, books, materials, travel or childcare you may apply for financial support from the Discretionary Learner Support Fund.

Please ask for further advice and information and an application form when you enrol, or ring any of our centres and staff will be able to advise you on the process.

**Learning Support:** We welcome all learners at Oldham Lifelong Learning. Our experienced Learning Support team work together with our tutors to ensure a person centred approach to supporting your learning needs.

Please come to one of our advice and guidance sessions or talk to us before enrolling on your course if you feel you might need additional support.

## Information and Communication Technology and Digital Skills

Computers are an essential part of the workplace and daily life and we recognise that you want a course that suits your requirements. Therefore before you join a course you will meet a tutor who will discuss the courses available and their suitability.

This will include assessing your existing computer skills. Literacy and numeracy will be an element of the skills check and may influence the choice of course available to you. These course descriptions are brief and more detailed information is available on our course information sheets and at the skills checks.

### First Award in ICT – Entry 3

This course is for you if you have basic computer skills. You will build confidence in using the computer and gain a qualification whilst developing your knowledge of ICT equipment and how to use it correctly and safely. The First Award supports progression to other IT and Digital Skills qualifications.

There will be individual appointments available at the enrolment sessions in August and September and we also have skills check appointments throughout the year. If you would like to book an appointment, please contact any of our centres listed on the back of this brochure or contact the ICT team directly on:

T: 0161 770 8026

E: [lifelong.learning@oldham.gov.uk](mailto:lifelong.learning@oldham.gov.uk)

### IT User Skills – ITQ1 and ITQ2

Ideal for improving existing job performance, finding a new job, or simply using today's technology more efficiently. ITQ offers a range of units, designed to give you hands-on skills that can be used at home or in the office and support progression to other IT and Digital Skills qualifications.

98% of our learners would recommend us

## Information and Communication Technology and Digital Skills

### Occupational Studies – Business Administration units – Entry 3, Level 1, Level 2

These courses develop further skills in Business Administration for use in the workplace. They offer the opportunity to learn about and gain practical skills, knowledge and understanding in Customer Service and Improving your own confidence.

This course will help you prepare for work and support progression on to further IT and Digital Skills qualifications.

### ITQ1 / ITQ2 Computerised Accounts

If you have a good basic IT knowledge this qualification is designed to give you hands-on skills in the Sage Line 50 accounts package that can be used at home or in the office. It provides an opportunity to learn a range of skills and encourages progression to other IT qualifications or the workplace.

### Digital Skills Level 1

During this course you will apply digital skills in personal and business situations, understand how to maintain safety and security when using data and devices, find and use information, use digital resources to facilitate own learning and career progression and communicate socially and professionally using technology.

This course will help you progress to a work role where digital literacy skills are required, or on to further Digital skills qualifications.

### Courses without a qualification

We offer a wide range of IT and Digital Skills courses, without a qualification. These courses give opportunities to explore IT, Business Administration and Digital Skills before progressing on to a qualification course.

## Partnership and Community Engagement Team (PACE)

### Lifelong Learning Partnerships

We work in close collaboration with a range of partners across Oldham to identify and deliver learning which makes a difference to people's lives.

We work with a wide range of organisations, including schools, voluntary and community sector, faith sector, health partners, housing, libraries and other council services to offer learning opportunities to engage local people. These can be flexible to meet the needs of groups of learners. Advice and guidance is provided to learners regarding progression routes to help them achieve their goals. We can offer a range of free learning sessions which are funded, and courses where fees apply.

## Family Learning

Do you want to know how to support your children with their learning and be able to support them with their homework? We can offer courses in schools and communities near you. You may also develop your own skills and want to progress onto further learning.

Family Learning offers a range of free courses for mums, dads, grandparents, carers and children. Courses are held at times to meet the needs of parents and carers. A free crèche is available at many venues. Some courses focus on families learning together, while others are for parents/ carers only, with the emphasis on supporting the family. Courses take place in over 25 venues across Oldham, including local schools, Lifelong Learning Centres, Children's Centres and Community venues. We work in partnership with your child's school/nursery/children's centre to offer exciting learning opportunities for the whole family.

### Keeping up with the Children

For mums, dads, grandparents and carers to find out how children are taught in schools and be able to support homework. The course provides opportunities to brush up on your skills and progress to a national qualification.

- English
- Maths
- Language
- ICT
- Digital families – digital learning
- School Readiness

For further information about Family Learning please contact the Family Learning Team on:

## Volunteers Wanted

You can volunteer to teach on one of our Talk English courses and we will offer you a FREE initial 6 week training course, followed by the opportunity to progress onto the Award in Education and Training Level 3 free of charge. You will learn about the basic principles of training, how to use phonics, be introduced to the Talk English Project and understand how to use the website and its associated resources.

**Talk English**

You will be allocated to your own ESOL class in a community location. You will deliver the class for 12 sessions for 2½ hrs a week so we would need you to be able to meet this commitment.

If you volunteer with this project, we can offer you:

- A free initial six week training course and 12 weeks teaching practice
- The support of project staff and access to further development
- A sense of personal achievement as you help local people to improve their English and become more able to engage with their community
- Progression onto a fully funded Level 3 Award in Education and Training
- CPD opportunities with Oldham Lifelong Learning Service

For further information please contact Rachel Barker on  
**T: 0161 770 5187 or email [rachel.barker@oldham.gov.uk](mailto:rachel.barker@oldham.gov.uk)**

Please note that to undertake this role you need to have a good level of English, equivalent to Level 2 / GCSE. You will also be required to undertake a DBS check.
